

Effective, Safe and Economical Bio-Protection for Cannabis & Indoor Cultivation

The Agriair® PG-HVAC 10 air purifier produces and distributes eco-friendly oxidizer plasma that sanitizes air, surfaces and controls odors at their source, in up to 12,000 cubic feet of grow space. The friendly oxidizer plasma provides bio-protection 24/7. The purifier is easy to install with any HVAC duct and is scalable to any size operation.

Labs and universities confirm the following results of Ionic Oxidation purifiers
